INCREASE IN MUTUAL OF OMAHA HOSPITALIZATION
RATES ANNOUNCED BY GEHA, INC.

1. Claims paid under the Mutual of Omaha hospitalization and surgical benefits plan during the past year approached the point of being equal to premium payments. This trend is attributed primarily to an increase in dependents' claims and to some extent to increases in the cost of certain hospital and surgical extras.

2. Therefore, the Board of Directors of the Government Employees' Health Association, Inc. (GEHA) has approved a nominal increase in the monthly rate of the hospitalization and surgical benefits plan. The new rates, to be effective 1 September 1958, compare with the present rates as follows:

| | <u>New Rate</u> | <u>Old Rate</u> |
|--------------|-----------------|-----------------|
| Single Plan: | \$3.00 | \$2.70 |
| Family Plan: | \$8.25 | \$7.40 |
